

Agenda

SCORM 2.0 Workshop

October 15-17, 2008

The workshop will consist of a half-day opening plenary session, held in the IHMC Auditorium. Wednesday afternoon and all day Thursday will be devoted to parallel Working Groups, each with specific deliverables. To accommodate everyone comfortably, we've arranged for breakout rooms located two blocks away at the Pensacola Civic Center. Then on Friday morning, we'll re-assemble for a Closing Plenary session back at IHMC. We'll adjourn at Noon on Friday.

	Wednesday	Thursday	Friday
8:30	Breakfast and Registration <i>IHMC Library</i>	Breakfast <i>IHMC Library</i>	Breakfast <i>IHMC Library</i>
9:00	Opening Plenary <i>IHMC Auditorium</i> <ul style="list-style-type: none"> • Introductory remarks on LETSI and SCORM (Avron Barr) • Welcome to IHMC, Semantic Technology (Jeff Bradshaw) • Program Walkthrough (Mike Rustici) • Review of Deliverables (Robby Robson) 	Working Groups <i>Civic Center</i>	Closing Plenary <i>IHMC Auditorium</i> <ul style="list-style-type: none"> • Working Group reports (Tyde Richards) • Next steps (Avron Barr)
Noon	Lunch <i>IHMC Library</i>	Lunch <i>IHMC Library</i>	Adjourn
1:30	Working Groups <i>Civic Center</i>	Working Groups <i>Civic Center</i>	
5:00	Adjourn	Adjourn <ul style="list-style-type: none"> • Working group representatives meet for 30 minutes in Civic Center 	
6:00-8:00	Dinner Reception <i>McGuire's Irish Pub (Grand Hall)</i>	Dinner on your own. <i>Working groups may choose to continue</i>	

The Workshop will be a working meeting where we've intentionally brought together SCORM enthusiasts from diverse communities. The program will include long breaks in the morning and afternoon to facilitate the sidebar discussions that are so important. Breakfast will be available at IHMC every morning, and lunch will be served there at Noon on Wednesday and Thursday.

On Wednesday evening, we have arranged for a buffet dinner at McGuire's Irish Pub, across East Gregory Street from the Marriott Courtyard.

Details about the Working Groups, which are organized into four tracks, will be supplied separately.
